Introduction

Luxury Wood Works

Since the commencement in 1998, Al-Kaūn Joinery has been manufacturing an extensive range of quality wood-based products for both the commercial and residential sectors. As a total joinery solutions provider, operating a heavily mechanized factory, we practice stringent quality measures ensuring the highest standard of quality and customer satisfaction. Unparalleled in the market, few companies can execute the full in-house services Al-Kaūn can provide.

Expanding over an 85,000 square foot facility offering fully equipped state of the art machinery and quality control management systems, allows Al-Kaūn to be an innovative leader in luxury wood works. Through personalized client consultations we are able to offer our expertise and guidance to ensure the client is confident in the product we deliver. Such options as solid wood or veneered on engineered wood, recommending finishing's for internal or external use, are some of the recommendations we can provide to ensure the client is clear on what they want, and what they want us to deliver.

Al-Kaūn specializes in a selection of custom-made furniture, strictly adhering to a strategic consistency of quality control through every stage of fabrication. From the finishing stage in the factory to installation and hand over at the site, our clients can trust our quality, reliability and ability to deliver.

ABOUT US AL-KAUN

Al-Kaun based at Doha – Qatar provides professionally the execution of complete Fit-out works including civil and MEPD activities in relation to Interior Designing, from procurement stage to installation as per customer requirements.

It is commercially registered to provide the international Standard applies for Civil & Interior Fit-outs services in Qatar.

The company has developed its Integrated Management System & Preservation Time from thorough knowledge of the needs of its end users that maximize values and provide efficient management services at lower operation costs, maintaining high levels. The approach is based on the creation of an experienced customer focused management team based on proven management principles. Our aim will be to provide cost effective value for money services.

Integrated Management System is an integration of wide range of Services that are synergized according to the requirement of customer. It helps in optimizing the cost and integrates the management of Operations & Maintenance of all services.

Al-Kaun has operations in the field of:

Interior Civil work
